Invitation to participate in the International Working Session 40/2019 on “International Police Missions” from 26 to 28 August 2019 at the German Police University

Dear Sir, dear Madam,

The German Police University, with the support of the State Bureau for Education, Training and Personnel of the North Rhine-Westphalia Police, is organizing the International Working Session on “International Police Missions,” which will be held from 26 to 28 August 2019 at the campus of the German Police University, located in the city of Münster, Germany.

It is among the aims of this event to provide participants with an in-depth insight into the current situation and standards of international police missions involving the Federal Republic of Germany and the federal states, to strengthen and raise their intercultural skills and competences, to share expertise and be informed about challenges and potentials for further development in international missions and deployments. In the enclosed file you will find the detailed program and schedule of the activity.

The working session will be conducted entirely in English. The audience is expected to comprise senior police officers from Germany and abroad, physicians in the Police Medical Services, police priests and psychologists, as well as senior officials of the German Armed Forces Staff College.

I should be grateful if you forward this invitation to the relevant further training offices in your organisation that will nominate participants, including their full names, ranks, postal addresses, and email-addresses. The deadline for nominations is on Monday, 12 August 2019. Please forward your nominations in the enclosed file (in German) to the email-address: anmeldungfortbildung@dhpol.de.

The German Police University will charge a total fee of 185.00 Euros per participant for taking part in this working session. This amount includes the participation fee, board and lodging, and a guided city tour (dinner not included). Travel costs to Münster are at the expense of the participants or their sending institution.

In an attempt to avoid overpayments or re-bookings between organizations, we will issue invoices after the closing of the working session to those services who have actually nominated participants to this event. Please refrain from any pre-payments.

Your contact partners for clarifying questions will be the course managers:
