Invitation to the Actions Workshop

“Domestic Violence”

Dear colleagues,

Domestic violence and abuse can happen to anyone, yet the problem is often overlooked, excused, or denied. Domestic abuse often escalates from threats and verbal assault to violence. And while physical injury may pose the most obvious danger, the emotional and psychological consequences of domestic abuse are also severe.

The Austrian Security Academy in cooperation with the Vienna Youth Welfare Council (Ministry of Social Affairs) and the Vienna Board of Education (Ministry of Education), the Czech Police Education and Training Unit and the Finnish Police Academy Tampere have jointly elaborated an Actions Workshop on “Domestic Violence”.

As the prevention of domestic violence is a challenge for all member countries of our Association, we invite you to the second **Actions Workshop on “Domestic Violence”** to be held from 23rd to 25th June 2020 in Dnipropetrovsk/Ukraine, hosted by Dnipropetrovsk State University.

Please note that the workshop is limited to a maximum number of 24 participants.

Please send the completed registration form as soon as possible but not later than 22nd May 2020 to the following email addresses: aepc-secretariat@bmi.gv.at and ird@dduvs.in.ua

We are looking forward to welcoming you in Dnipropetrovsk.

President of the AEPC
