The Netherlands offer the course "Meeting the Police Education below Sea Level".

The course will offer the participants a programme through which they will become more familiar with the structure, responsibilities and training methods of the Dutch police. Various police

training facilities will be visited during this course. The course will be held in English. Applicants will have to be able to understand presentations in the English language and be able to discuss and contribute to interactive parts of the course. Applicants have to be (senior) officers and employed in the field of police education, for instance board members, managers, teachers/trainers and educational developers.

The invitation will be sent out separately.

Switzerland: no special courses; police officers interested in attending an Swiss course (in German, French or Italian language) are always welcome to sign up for courses published on the website www.institut-police.ch

Italy: Following courses from the second semester 2021 until the first semester 2022 will be offered by Scuola di Perfezionamento per le Forze di Polizia - Interagency Law Enforcement Academy of Advanced Studies:

- Advanced Training Course, yearly master courses in Rome (in Italian language);
- Crime Analysis Courses - First Level, monthly courses in Rome (in Italian language);
- Crime Analysis Courses - Second Level, monthly courses in Rome (in Italian language);
- Interagency Coordination and International Cooperation, monthly courses in Rome (in Italian language);
- International Advanced Training Institute for the Prevention and the Fight against Organized Crime, one to three weeks courses in Caserta (in English language)

Nominations will have to follow a specific procedure through the Police Forces Coordination Office of the Ministry of Interior – Department of Public Safety. For further information, please contact Italy.cepol@interno.it

Germany: online courses in German language are available on the website <https://www.dhpol.de/fortbildung/online-fortbildungen/onlinefortbildungen.php>
