VII INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

"INTERNATIONAL AND NATIONAL SECURITY: THEORETICAL AND APPLIED ASPECTS"

March 17, 2023

The purpose of the conference is to create a platform for combining the experience and potential of scientists and practitioners, representatives of public authorities and civil society institutions of Ukraine and the leading countries of the world in solving legal/social/economic problems of ensuring national and international security; development of proposals on ways to increase the level of national and international security.

The conference is attended by representatives of international institutions, state authorities, judicial and law enforcement agencies, local self-government bodies and other institutions of civil society, scientists, doctoral students, post-graduate students and higher education graduates of Ukraine and foreign countries.

REGULATIONS OF THE CONFERENCE

9 ⁰⁰ – 10 ⁰⁰	Registration of participants;
10 ⁰⁰ – 11 ⁰⁰	Opening of the conference, welcome words and speeches, awarding of winners; All-Ukrainian competition for the best legal publication;
11 ⁰⁰ – 14 ⁰⁰	Speeches of conference participants;
14 ⁰⁰ – 14 ³⁰	Discussion of the draft resolution and recommendations. Completion of the conference.

THEMATIC DIRECTIONS OF THE CONFERENCE:

Block 1. Problems of legal development for peace and security

1.	Theoretical, common law and constitutional, and legal aspects of ensuring international and national security
2.	Actual problems of international and national security in the context of the doctrines of criminal law, criminology, and criminal procedural law
3.	Preventive activities and security initiatives of the police in national and international dimensions. Administrative and legal provision of public safety and order
4.	Ways to solve the main systemic problems in the field of ensuring, implementing, and protecting human rights and freedoms under martial law
5.	Legal problems of formation and implementation of the internal and external policy of the state
6.	Private legal relations in the context of human rights protection

Block 2. Actual problems of international and national security in the context of philosophy, philology, sociology, political science, and economic theory

1.	Financial and economic security
2.	Information security is an element of national security
3.	Management in the field of national security
4.	The linguistic aspect of the formation of the security environment of the individual in society and the state
5.	The influence of corruption on the provision of national security and defense of Ukraine in the conditions of martial law
6.	Integration of the gender component in various spheres of public life and public administration (education, law, ecology, health care, regional policy, energy, public finance management, employment, and others): problems and prospects

Block 3. International security is a factor in the formation of Ukraine's national security

1.	Modernization of the international peacebuilding network in the context of global and regional security challenges
2.	The role of international organizations and international associations in building peace and peaceful settlement of military conflicts
3.	The impact of the ratification of the Istanbul Convention on the mechanism of ensuring gender equality in the conditions of martial law in Ukraine

In order to participate in the conference, it is necessary to send an application and abstracts of reports, prepared in accordance with the requirements (Surname_theses; Surname_application), to the email address - nrv.dduvs@gmail.com by March 6, 2023 (inclusive).

The forum's organizing committee accepts report abstracts of up to 5 pages (in Ukrainian, English), typed in the text editor Microsoft Word, font Times New Roman, point 14, spacing 1, all margins - 20 mm, paragraph - 12.5 mm.

The organizing committee reserves the right to reject materials that do not meet the theme, directions, and scientific level of the conference, editorial and technical requirements, and those sent in violation of the submission deadline.

Participation in the conference is **free**.

Based on the results of the event, it is planned to prepare a collection of conference materials in pdf format, which will be sent to the participants of the event at the email address specified in the application.
